\* Non-contract transport from Forest of Dean and Gloucestershire

## Transport To And From School

Many of our students travel on buses, some setting out early in the morning to cover considerable distances.

In the afternoon, where delays in private transport are unavoidable, or problems involving transport arise, students will be able to wait and work in the school library. This will be open and supervised until 4.30 pm Monday – Thursday and until 4.00 pm on Friday.

All students should make EMERGENCY PLANS with their parents. They should know exactly where to go and what to do if the bus fails to arrive in the morning. If the school has to close early it is advisable for students to know where they should go to meet parents. In the event of a bus being unable to reach the drop-off point, having a rendezvous, a shelter or home of another student prevents anxiety and promotes the safety of students. If a bus breaks down, students must stay with the bus. The bus driver will make appropriate arrangements.

**Students living outside the catchment area** make their own transport arrangements. Some parents in the Forest of Dean have organised their own contracts with different companies such as Colefordian, Dukes Travel or via the Haberdashers Boys School. Usk students can catch a service bus, which travels through Monmouth.

Students in some areas of Gloucestershire and Herefordshire can claim free travel if their closest school is Monmouth Comprehensive School. Parents need to apply to their local authorities.

**Students living within the catchment area** are allocated to buses by County Hall. They will either have bus passes for service buses, or travel on contract coaches and taxis.

If there are any difficulties about contract transport, Mrs L Treago and Mrs L Fisher, School and Student Access Unit at County Hall (telephone 01633 644507 and 01633 644638 respectively) are the people to contact.

**Raglan** – For safety and to avoid overcrowding, there are two buses on the Raglan route and County Hall will tell you which one to use.
